WOMEN'S LUNCHEON -----

Next Friday March 4th at 12:30

Please note that the time has been changed.

The Women of MBCC will be hosting a very special guest from Cockney England who you will definitely want to meet! Don't forget to let Carolyn know if you will be going and to make your menu choice by calling her at 279-1583 or via her Cubbie 302

THE SNOW RETURNS.....

Special Thanks to Mike and to Steve for moving it out of the way!

TV CHANNEL SURVEY UPDATE....

As soon as we have the new channels operational we will get you an updated list showing you all the channel locations

EMAIL WITHOUT A COMPUTER? WE CAN DO THAT!

We have already had our first 'Customer'! If you don't have a computer but your family and friends do ---- then they can send you a free email by going to our website! We deliver their message directly to you just like it was a telegram!

MONTHLY LECTURE SERIES TO START!

Coming up a week from next Wednesday on March 9th at 1:30 our first guest will be none other than Mr. Rusty McLear of Meredith who is the lead developer of the Mills Falls and Church Landing's properties. Meet the man who has been very instrumental in helping make Meredith the primary visitor destination of the Lakes Region!

Our goal is to keep things relatively brief by asking our Guest Speakers to talk for just 20-30 Minutes and then stay for an additional 10 minutes or so of questions.

Special Thanks are due to Jean Stephens for making all the arrangements with Rusty!

“The Milagro Beanfield War” Movie Tonight (Fri 2/25 at 7:30p)

Directed by Robert Redford this is a 1989 Academy Award Winning Moving that the promotions describe as being a funny, quirky and feel good kind of movie. Just what the doctor ordered on a snowy Friday night! No Reservations Needed!

DINING NOTES.....

I don't have all the details and I have not been paying attention to this part of the news --- but Kurt tells me that Frost in Mexico has disrupted our supply of a number of fruits and vegetables which requires a few menu adjustments. Your patience and understanding is appreciated while we wait for the California growing season to come into its own.

MBCC Trivia

The Winners (we now have multiple categories!) will be announced next week – so if you are reasonably quick there is still a bit of time to get your answers in.....

THIS AND THAT.....

How many days are there between Ash Wednesday and Easter? Nobody has given me the correct number yet. Hint: It's not 40!

Resident Directory Update: At this writing I have added 37.5% of Member Photos to their bio's section. It's turned out to be a bit more complicated than I thought --- but it will work. If you haven't had your photo taken yet (I know there are some of you) please stop by and we can fix that right quick!

That's about it for now.....

Have a great weekend!

Howie
