NEW HAMPSHIRE MUSIC FESTIVAL

It was great to see so many of you attend yesterday's presentation by Benjamin Loeb, the Music Director of the New Hampshire Musical Festival. NEMF's General Manager Nancy Vaughan and our own Terry Thomason are shown on either side of Mr. Loeb.

Mr. Loeb gave a very informative presentation that included the reasons behind the particular program selections for this coming season.

This is just the latest in a series of Member coordinated programs that bring us all together for both education and fellowship! When people ask me who our Independent Activity Coordinator is – I always tell them that Our Members run the show and all we need to do is stay out of the way!

GARDEN AND LANDSCAPING PLANNING

Earlier this week a Member Committee met with Jim and Mike to review the overall plans for this year's landscaping and gardening initiatives. Even though it is before Memorial Day it is not too early to have our plans in place even if it might be a bit early to have plants in place. Our goal is that with Member assistance to design and maintain a wonderful landscape that is both great for the Soul and good for marketing as well.

MOVIE TONIGHT: THE AWAKENINGS

Friday the 13th at 7:30p in the 1st Floor Community Room

A true story about patients who have been comatose for 30 years and how they come to terms with a new life. Starring Robert DeNiro and Robin Williams

NEWSPAPER DELIVERY: A MUCH APPRECIATED VOLUNTEER EFFORT!

We owe a debt of thanks to those who deliver the morning paper --- While I know that Carolyn shoulders most of the responsibility – I am less sure of whether she has partners in crime or not.

Some things to remember:

- While the Citizen, Monitor and Union Leader are usually delivered to the building around 5:30a – it can vary and sometimes there can be issues with your subscription and/or the driver dropping off the proper number of papers.
- Some days the Volunteer will not be available to deliver the papers
- The Sun arrives later in the morning and is not delivered – but it is available in the Member Store.

You patience and your understanding are both appreciated! Please know that on some days newspaper service is Self-Service!

CLOSING NOTES.....

Dining Survey Update: Naella has finished compiling the data which now awaits me to do a trend and pattern analysis to identify the areas we need to look at as well as the areas that we need to leave alone.....

Enjoy your Friday the 13th!
