On Friday Club Members headed off for lunch at Johnson's in New Durham and then on to Piece Time Puzzles in Northwood to see where Jig Saw Puzzles are still being made! Naella was recruited to drive and earned high marks for her efforts! This was yet another Member initiated, planned and coordinated event – and one that we hope will be part of a

continuing series of trips designed to help us discover (or perhaps rediscover) some of the many interesting destinations that New Hampshire has to offer.

CLOSING NOTES.....

Facebook Help Needed: Please encourage your friends and family to not only check out our Facebook page – but to choose the ‘Like’ button while they are there!

Pool Closed This Weekend: Starting Friday November 4th Mike will be draining the pool to replace underwater lights and to install additional grab bars. If the water balancing all checks out the Pool should re-open on Monday. Our apologies for any inconvenience this might cause.

Good News & Bad News about Additional Storage: The Good News is that Mike is in the midst of installing industrial shelving in the common area storage area. The bad news is that when at long last we are able to provide you the long promised dedicated storage area – that we will also be charging you. More later as details become available.

Calligraphy Class Anyone: Local Artist Suzanne Lee has asked if there is interest in holding a Calligraphy Workshop here. I do not have cost information at this writing but please let Naella know if you are interested.

Logo Wear? Recently we have had a number of inquiries about making available for sale assorted LL Bean clothing embroidered with our MBCC Logo. Getting our name out there is a wonderful thing and we want to do everything we can to make it easy and inexpensive by passing on to you whatever discount we can arrange. In addition to Jackets, Vests and Hats there are any number of articles that LLBean offers including Chamois Cloth Shirts (which have been requested) If you are interested in looking through the LLBean Business catalog just stop by the front desk. Please let Naella know what you are interested in.

Wii Instructor Needed: Do you know anyone who would like to teach Bowling with the Wii? We need a Volunteer to help introduce Club Members to a wonderful new way to 'compete'.

Knitting Class Anyone? We have a great teacher willing to come here and provide everything you need to learn how to make some great Holiday projects. Just let Naella know.....

Snow Emergency Parking: During a storm we need to be able to move all the cars that are parked in any of the outside lots in order to complete snow removal. Please be sure to let us know if you have any guests with cars so that we know who to contact to advise about where and when to move etc... Together we will make it through another winter.

Fall Behind: Don't forget to reset your clocks before you go to bed Saturday Night!

Christmas Party December 9th: Save the date for an afternoon Party in the Bistro! Details to follow.

Special thanks are due to all who have so generously contributed food items to the local food pantry via our collection basket located at the entrance to the Bistro.

Have a Great Weekend!

Howie
